Dear Parents/Carers,

RE: Year 9 Parents Evening

We are very much looking forward to welcoming you to the Year 9 Parents Evening on **Thursday 24 February at 5pm – 7pm.**

We are delighted to welcome you to the school in person. I would like to take this opportunity to outline some safety measures that we are putting in place in order to keep our school safe as Covid-19 cases are still present in our local community.

Committed to delivering an uninterrupted education to our students, we have worked hard to maintain a Covid-secure environment. Our cases have been low amongst pupils and staff and as we begin to host in-person events again, we would like to ensure this continues. Please find below some recommendations prior to your arrival in school:

- If you are able to, we would recommend that you take a lateral flow test prior to your arrival. Staff and students at the school continue to test twice a week and if you are able to test also, this would be of great reassurance to our staff.
- Please sanitise your hands upon your arrival. We will make plenty of hand sanitiser available.
- Please keep a safe distance from others where feasible.

We thank you in advance for your support and efforts and we are looking forward to seeing you.

Kind regards

Kateryna Law
