CSG Hardship fund

The cost of living crisis will have an impact on many families this winter. We are determined to provide support to families in need. Please write directly to the school to csg@csg.school for the attention of the Headteacher and we will endeavour to put support in place for your family.

Parental Engagement

I am very grateful to have a parent body which is so willing to help and get involved. Many parents and carers come forward offering to help the school and your support goes a long way. Please find below three new ways in which you can help and get involved:

- 1) **Oxbridge Mock Interviews** – the next 4 weeks are a critical time for arranging mock interviews for our Oxford and Cambridge applicants. If you are able to conduct a mock interview in any of the following subjects for 40 minutes, remotely or in person, please let us know. We have a record 93 applicants this year which is almost double that of last year and we need your help.

Subjects we are looking for: Classics, English, French, Spanish, History, HSPS, Psychology, Geography, Law, PPE, Economics, Medicine, Maths, Physics and Engineering.

- 2) **Main School Speakers Programme** – We are organising speakers for the main school with short talks taking place on Thursday lunchtime 1pm – 1.30pm. If you can offer a short talk about your field of work or study, we would be delighted to hear from you.
- 3) **Fundraising drives** – if you have ideas of fundraising initiatives that you would like to lead or use your expertise to deliver, we would love to hear from you. Equally, if you are able to donate resources to the school from your places of work, these can be of great benefit to the students. Previous donations have included sports equipment, furniture, board games, new children’s fiction and many garden plants! All of these have been much appreciated.

Please complete the following form if you would like to get involved:

I would like to wish you and your children a lovely second half of the Autumn term.

Kind regards
